OF NUTRITION

ICMR - National Institute of Nutrition आई.सी.एम.आर - राष्ट्रीय पोषण संस्थान
Department of Health Research, Ministry of Health and Family Welfare, Govt. of India

Date: 20th October, 2022, Time: 10.00 am -2.00 pm

Beneficiaries: B.Sc Nutrition and Food Science Final Year

Total Students: 98

Faculty Members: 04 Industry Name: ICMR-National Institute of Nutrition, Hyderabad.

Objective of the Session

The industrial visit was organized by Department of Food Science. A total of 98 students of Both Bsc And MSc Food Science participated in this insightful industrial visit to ICMR_NIN (ICMR-National Institute of Nutrition), Hyderabad for the Students of B.Sc Nutrition and Dietetics on **20th October, 2022**, VI semester students total number 98 along with three faculty visited the ICMR lab & Museum. The students on the arrival were addressed and an AV of the history & research facilities of ICMR_NIN was played enlightening students on the long years history and the various research work and the equipment/instrumentation availability was made aware. Followed by this students visited the Nutrition Museum where they saw various models and the knowledgeable information about the epidemiological population of the country. The resource person was the scientist who is working in the Food Chemistry Lab in NIN. He showed around the various labs of the NIN and gave a overview on how various samples are collected and analysed with each lab, the sessions were interactive with active participation from faculty & students. The students gained knowledge about the various labs and equipment and general ideology of the research in the field of Nutrition.

Degree Final Year Food science and technology and Nutrition Students visited ICMR-National Institute of Nutrition, Hyderabad.

Industrial visit 2022-23

to

वैऔअप. केन्द्रीय औषधीय एवं सगंध पौधा संस्थान
CSIR-Central Institute of Medicinal & Aromatic Plants

Date: 3rd November, 2022

Time: 10.00 am -2.00 pm

Beneficiaries: B.Sc Nutrition and Food Science Final Year

Total Students: 98

Faculty Members: 04

Industry Name: CSIR-CIMAP Research Centre, Boduppal, Hyderabad .

Objective of the Session

The industrial visit was organized by Department of Food and Nutrition for Both Bsc Food Sciene and B.Sc Nutrition and Dietetics , A total of 98 students (VI semester semester students total number 98 along with three faculty) visited the **CSIR-CIMAP Research Centre, Boduppal, Hyderabad** on **3rd November, 2022**. The Centre has been at the forefront in developing farmer-friendly, sustainable, production technologies and high-yielding varieties of economically important medicinal and aromatic plants (MAPs) with export potential under resource constraint conditions for transforming wastelands and dry lands into profitable green herbal farms. The students on the arrival were addressed with of the history & research facilities enlightening students on the long year's history and the various research work and the equipment/instrumentation availability was made aware. Followed by this students visited the aromatic plantation The resource person was the scientist who is working in the medicinal plantation lab showed around the various labs and gave a overview on how various samples are collected and analyzed The students gained knowledge about the various labs and equipment and general ideology of the research in the field of Nutrition.
