ACADEMIC YEAR 2023-24

VAAGDEVI DEGREE & PG COLLEGE

DEPARTMENT OF MATHEMATICS & STATISTICS

ICT TOOLS

ICT tools stand for Information Communication Technology tools. The ICT tools means to digital infrastructures like computers, laptops, printers, scanners, software programs, data projectors, and interactive teaching box.

The ICT devices are the latest tools, concepts and techniques used in student-to-teacher, student-to-student interaction for example: - clicker devices, mobile applications, flipped classroom) for information and communication technology.

How to Use ICT Tools in the Classroom

To unlock the potential of technologies to use in the classroom, we need to do the following:

- Establish a starting point for the ICT learning of each student and integrate formative evaluation into key learning areas like literacy and numeracy in a primary school.
- Planning for progress in ICT learning progress in the learning curriculum of the Australian curriculum.
- Evidence-based on ICT learning along with the subject learning.

Advantages of ICT Tools

There are various advantages of ICT Tools:

- Cost-efficient
- Provide the facility for easy student management
- Direct classroom teaching

Principal
Vaagdevi Degree & P.G. College
Kishanpura, Hanamkonda

- Improved modes of communication
- Direct classroom teaching
- Minimize cost and saves time
- Improved data and information security
- Web-based LMS tools link teachers, students, researchers, and scholars and education together.
- Teachers are able to teach better with graphics, video and graphics.
- Teachers can create interesting, well-designed and engaging classroom activities.
- Provide better teaching and learning methods
- To spread awareness about the social impact of technological change in education.
- Promoting and improving the digital culture in universities, colleges, and schools.
- Automated solutions to paper-based manual procedures and processes.

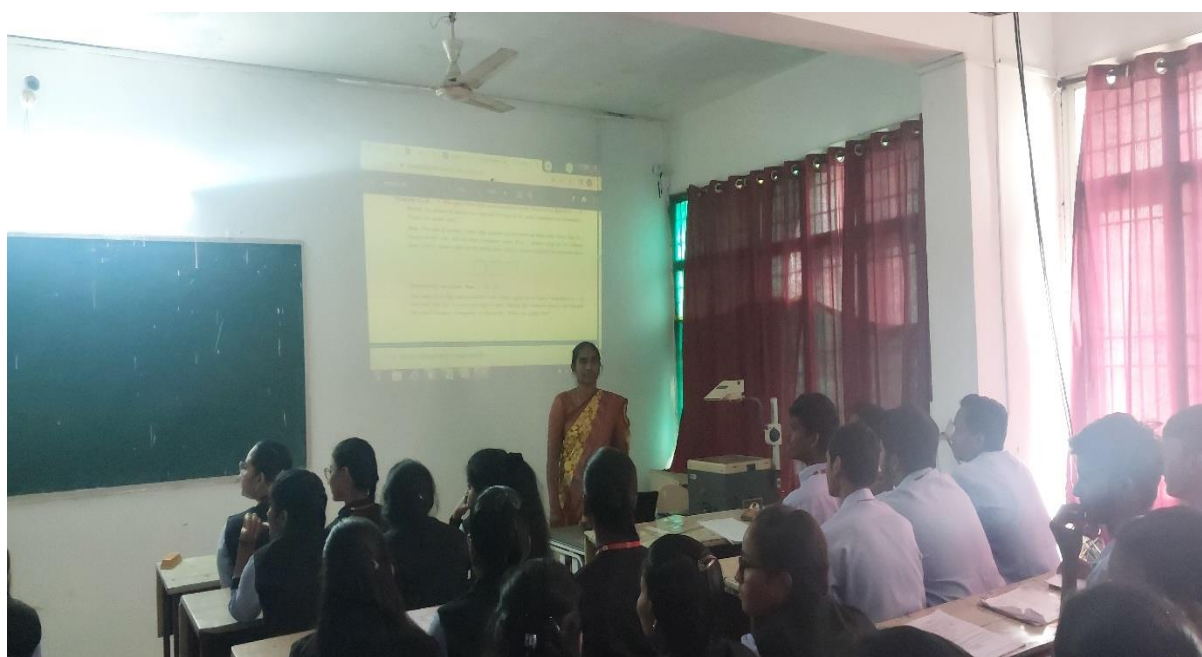

Faculty of the department which are used ICT tools for the classes are listed below

Teachers Using ICT Tools Sample

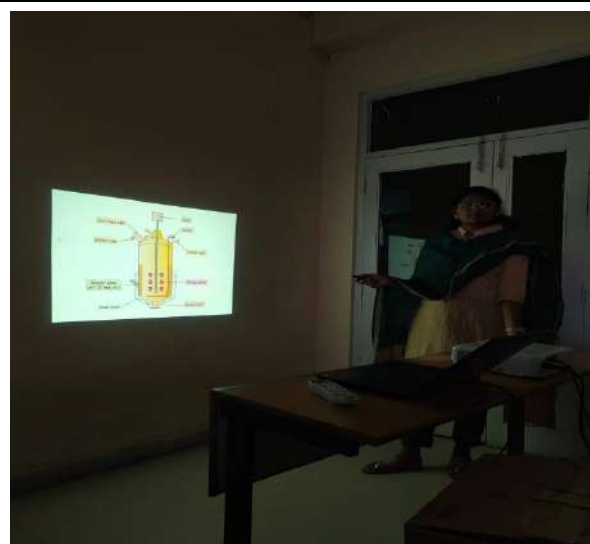

- ❖ Information and communications technology (ICT) is an important part of most organizations these days. Computers began to be used in schools and colleges in the early 1980s, and several scholars suggest that ICT will be an important part of education for the next generation. up-to-date technology offers many methods of enhancing classroom teaching and learning.
- ❖ Teachers use ICT enabled tools including online resources for effective teaching and learning processes
- ❖ Due to ICT's importance in society as well as in the future of education, identifying the possible challenges to integrating these technologies in our college and Department. The Usage Of ICT tools would be an important step in improving the quality of teaching and learning.
- ❖ The main objectives are as follow:
- ❖ Implementing ICT tools in teaching and learning in classroom.
 - II) To determine the challenges of using ICT tools in teaching and learning in the classroom among school teachers.
 - III) To identify that to what extent do teachers use ICT tools in teaching and learning in the classroom.
- ❖ We at our department are using the ICT tools which refers to the common technology-based tools that are using such as computer, **Laptop** , **LCD**, **digital photocopy machine**, **digital Audio and Video devices**, **digital camera**, **scanner**, **DVD player** and **multimedia projector**.

Teachers use ICT enabled tools including online resources for effective teaching and learning processes.

Use of Information and Communication Technologies (ICT)

Information and communication technology tools encompasses digital infrastructure, including computers (laptop/lapboard/tablet), desktops, data projectors & displays, software such as printers or scanners; and even compatible teaching boxes. ICT has become a vital instrument for providing students with comprehensive education, enabling them to develop their digital skills and talents at all times, which has transformed the traditional teaching-learning approach.

During the years the college has provided technology-enhanced ICT-based teaching-learning by using , the computers, LCD projectors, software, PowerPoint and 3D models etc.

Faculty presentations using ICT tools:

SRI.C.DATTATRETULU Faculty in Commerce and Business Management
Explaining about MINI PROJECT for BBA II Year students.

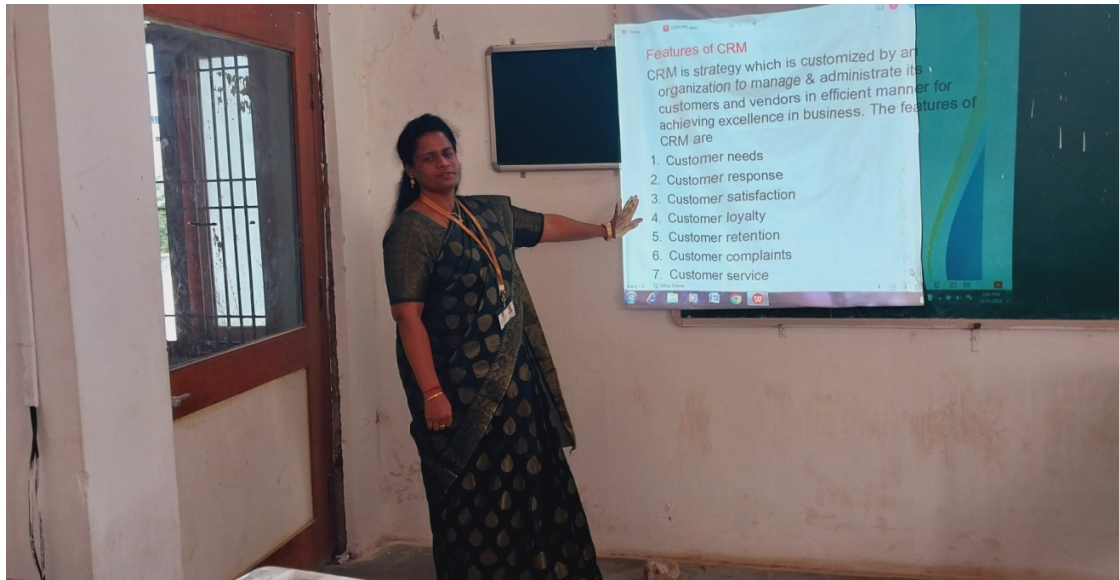

M.RAVI KUMAR, Faculty of Commerce , Explaining AIFA and its functions , for the BBA 5th Sem students.

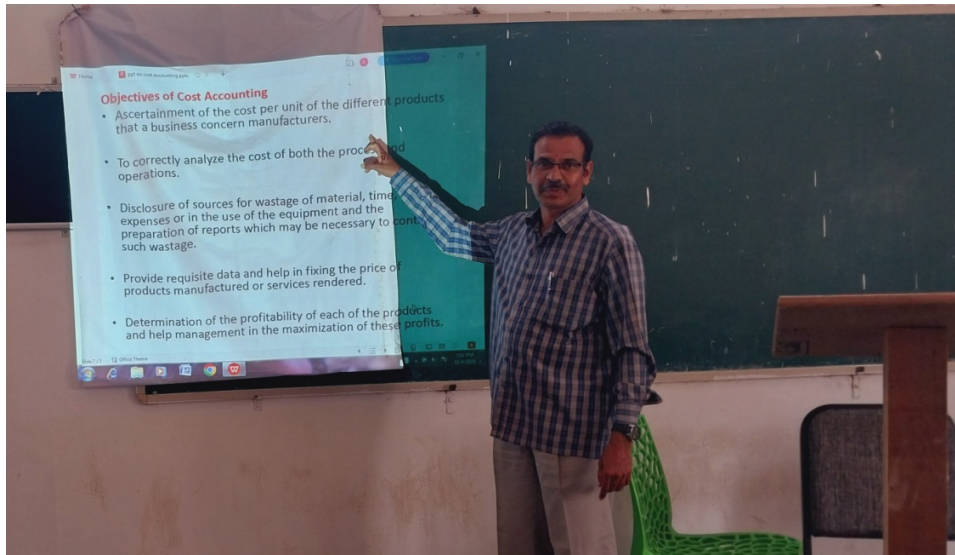

G.LAXMAN Faculty of Commerce, Explaining Computerized Accounting and its company creation for BCOM 5th Sem Students.

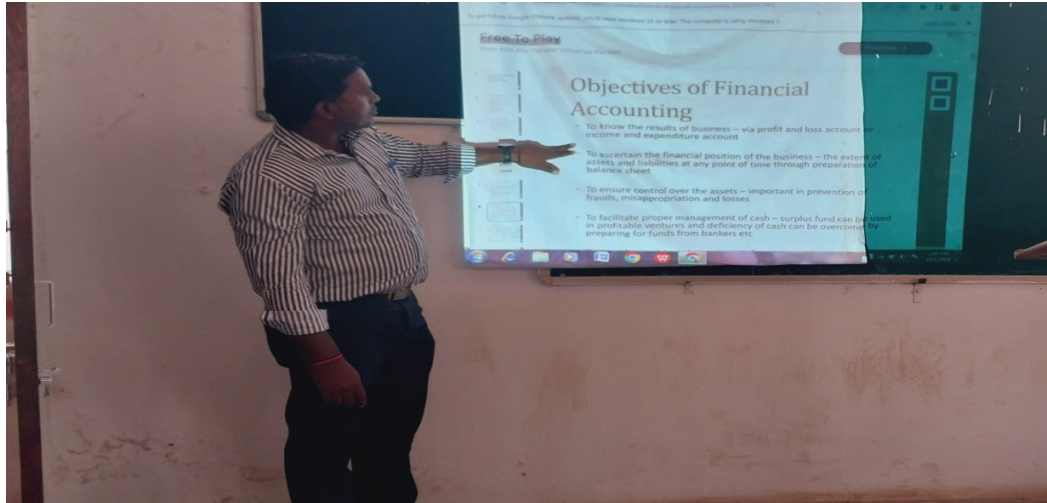

M.Santhosha , Faculty of Commerce , Explaining Business Economics and its types of Economics for BCOM 5th sem Students.

T.Gowthami Reddy ,Faculty of Commerce ,Explaining CRM and is Features of CRM for BBA 6th Sem Students.

T.Srinivas , Faculty of Commerce , Explaining Cost Accounting and its objectives for BCOM 5th sem Students.

Raju Vemula ,Faculty of Commerce ,Explaining Financial Accounting and its objectives for BBA 2nd Sem Students.

K.Uma Rani , Faculty of Commerce and Business Management , Explaining Marketing Research and types for BBA 4th Sem Students.

2.3.2 Teachers use ICT Enabled tools for Effective Teaching-Learning Process
Dept: Physics & Electronics AY: 2023-2024

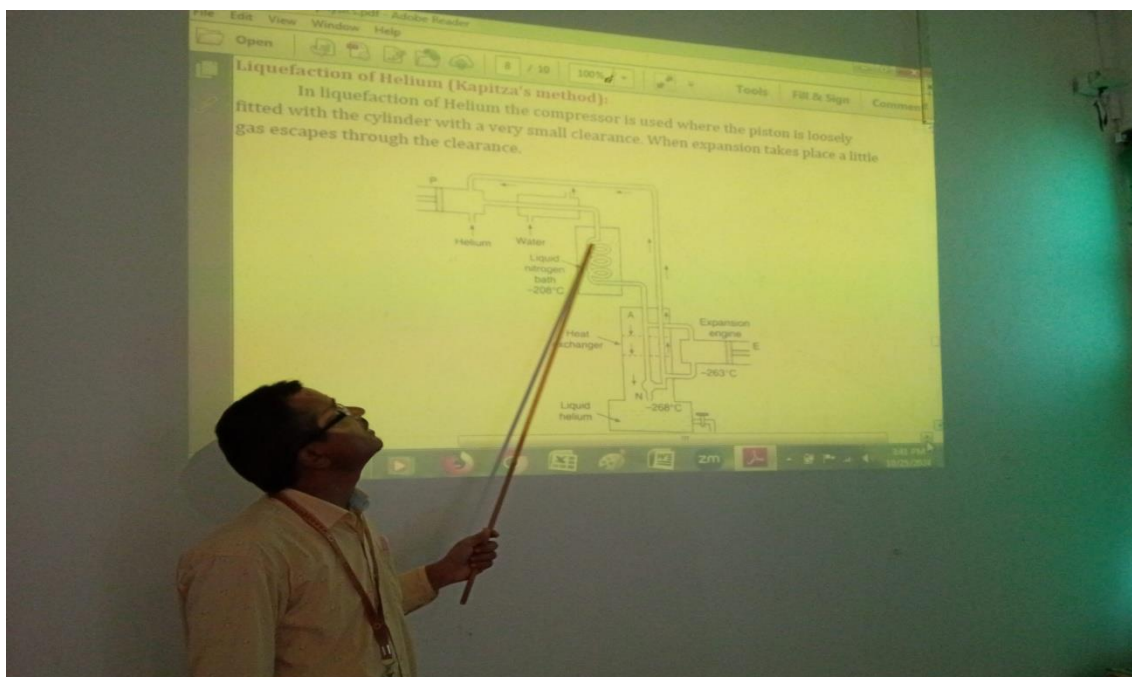

UG

Explanation of Gyroscope (Physics) by M. Gopi Krishna for MPCs Sec-A, UG Semester – I using ICT Tools.

Explanation of Series LCR circuit (Electronics) by B. Bhavya for MECs, UG Semester – I using ICT Tools.

Explanation of Liquefaction of Helium (Physics) by G. Madhukar for MPCs Sec-B, UG Semester – II using ICT Tools.

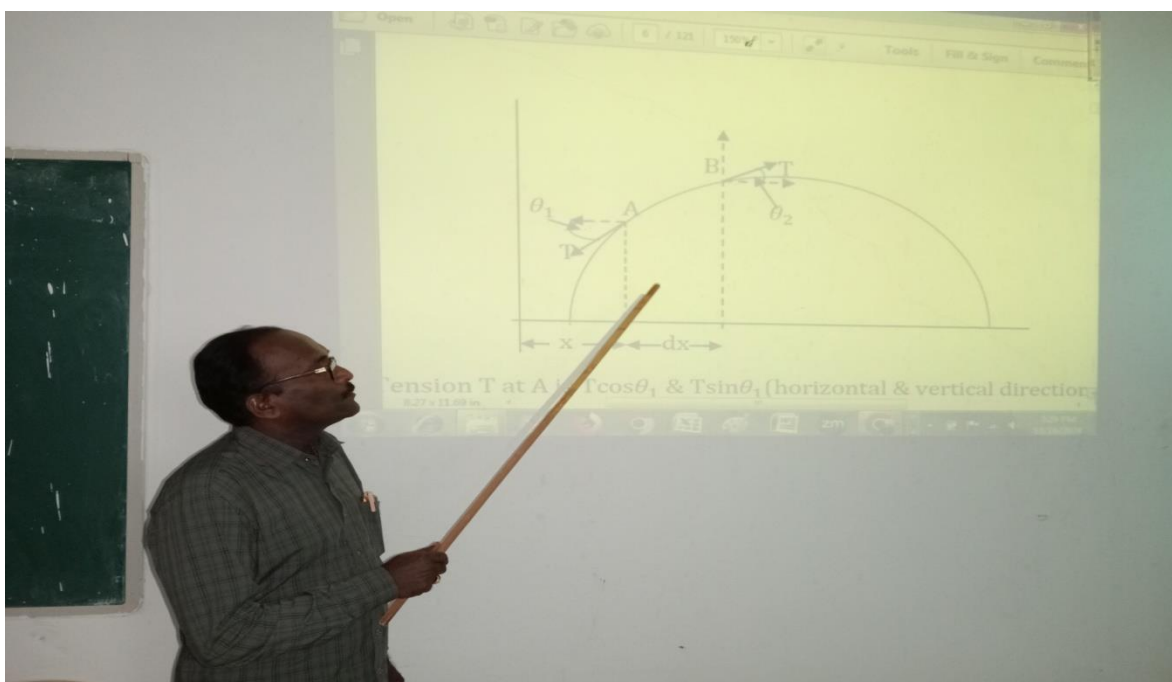

Explanation of Body Centered Cube-Crystal Systems (Physics) by G. Ramesh for MPCs Sec-B, UG Semester – V using ICT Tools.

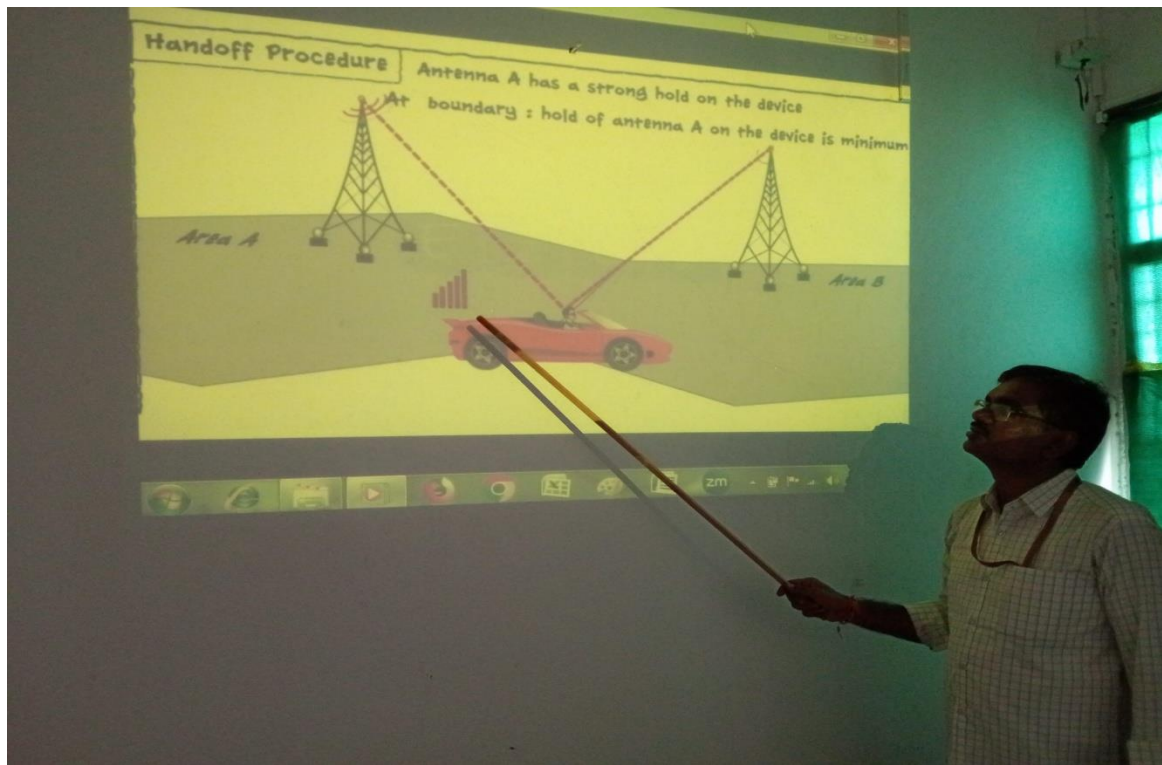

Explanation of Architecture of Microprocessor (Electronics) by M. Narasimha Murthy for MECs, UG Semester – V using ICT Tools.

PG

Explanation of Molecular Resonance Spectroscopy by Dr. G. Raja Prasad for M.Sc(Physics), Semester – III using ICT Tools.

Explanation of Hands-off Mechanism-Satellite Mobile Communication by M. Gopi Krishna for M.Sc (Physics), Semester – IV using ICT Tools.

ACADEMIC YEAR 2023-2024

In the academic year **(2023-2024)** for the students of **ALL THE SEMESTERS**, we have been utilized ICT (Information and Communication Technology) tools which can in turn useful for teaching for easy understanding of topics with visuals and improve the concentration of the students. For this, digital instruments like laptops, projection screens, projectors have been utilized.

Students are participated actively shows their interest positively.

RESULT: All groups showed keen interest to concentrate on the lessons.
