Affiliated to Kakatiya University

# Department of Biotechnology

The Department of Biotechnology, Vaagdevi Degree & PG College, Hanamkonda regularly conduct the field trip to the students as a part of curriculum and it is mandatory. As such all the final year Students of B.Sc.Biotechnology has organized field trip to **EPTRI-Environment Protection Training and Research Institute**, Hyderabad on 26<sup>th</sup>February, 2024 under the guidance of Smt. K. HimaBindu, Head, Department of Biotechnology and faculty of the department and other departments of the college.

**EPTRI** is a premier agency in India provides training, consultancy, applied research services and extends advocacy in the area of environment protection.

#### **VAAGDEVI DEGREE & P.G. COLLEGE**

KISHANPURA, HANAMKONDA.

#### CIRCULAR

It is to inform that Department of Biotechnology, VAAGDEVI DEGREE AND PG COLLEGE is organising field trip to all Biotechnologyfirst year students to EPTRIon 36 1220.24.

Co-ordinator: Smt. K. HimaBindu.

Head Dept. of Biotechnology.

Principal
Vaagdevi Degree & P.G. College
Kishanpura, Hanamkonda

Principal.

#### LIST OF STUDENTS:

Following is the list of students finalized to visit EPTRI, on 26/02/2024.

#### **List Of Students:**

S.No	Hall Ticket No.		Group
1.	08622 - 3101	A.Himadvitha	Bt.B.C –VI Semester
2.	08622 - 3104	D.Sooraj	Bt.B.C –VI Semester
3.	08622 - 3105	D.Ranjith	Bt.B.C –VI Semester
4.	08622 - 3107	G.Arvind	Bt.B.C –VI Semester
5.	08622 - 3108	G.Nagaraju	Bt.B.C –VI Semester
6.	08622 - 3110	K.Shirisha	Bt.B.C –VI Semester
7.	08622 - 3111	K.Vivekananda	Bt.B.C –VI Semester
8.	08622 - 3112	K.Akash	Bt.B.C –VI Semester
9.	08622 - 3113	L.Sravani	Bt.B.C –VI Semester

19.	08622 - 3707	N.SaiKrishna	Bt.B.Z –VI Semester
20.	08622 - 3708	O.Vamshi	Bt.B.Z –VI Semester
21.	08622 - 3710	P.Bhoomika	Bt.B.Z –VI Semester
22.	08622 - 3711	R.Pranay	Bt.B.Z –VI Semester
23.	08622 - 3712	ShaikAsif	Bt.B.Z –VI Semester
24.	08622 - 3713	S.Tejaswi	Bt.B.Z –VI Semester
25.	08622 - 3714	T.RuthKiran	Bt.B.Z –VI Semester
26.	08622 - 3715	V.Rakesh	Bt.B.Z –VI Semester
27.	08622 - 3002	Ayesha	Bt.Mi.C -VI Semester
28.	08622 - 3003	B.Shirisha	Bt.Mi.C -VI Semester
29.	08622 - 3004	D.Sriharsha	Bt.Mi.C – VI Semester
30.	08622 - 3009	I.Nithisha	Bt.Mi.C – VI Semester
31.	08622 - 3010	J.Vinay	Bt.Mi.C – VI Semester
32.	08622 - 3013	K.Reshmitha	Bt.Mi.C -VI Semester
33.	08622 - 3014	K.Sathwika	Bt.Mi.C -VI Semester
34.	08622 - 3952	B.Manaswini	Bt.Z.C –VI Semester
35.	08622 - 3955	K.Sathwika	Bt.Z.C –VI Semester
36.	08622 - 3956	N.Navya	Bt.Z.C –VI Semester

37.	08622 - 3957	R.Niharika	Bt.Z.C –VI Semester
38.	08622 - 3958	R.Ashwini	Bt.Z.C –VI Semester
39.	08622 - 3959	R.ShivaKrishna	Bt.Z.C –VI Semester
40.	08622- 3960	S.RojaSree	Bt.Z.C –VI Semester
41.	08622 - 3962	V.Vaishnavi	Bt.Z.C –VI Semester
42.	08622 - 3963	Y.Siri	Bt.Z.C –VI Semester
43.	08622 - 3964	Y.Vasavi	Bt.Z.C –VI Semester
44.	08622 - 3802	B.Harika	Bt.Mi.Z–VI Semester
45.	08622 - 3803	E.Akshaya	Bt.Mi.Z–VI Semester
46.	08622 - 3804	G.Harini	Bt.Mi.Z–VI Semester
47.	08622 - 3806	K.Bhavani	Bt.Mi.Z–VI Semester
48.	08622 - 3808	R.Sandhya	Bt.Mi.Z–VI Semester
49.	08622 - 3809	Summaiyya	Bt.Mi.Z–VI Semester

FEEDBACK: Students felt very happy for organising such an excellent industrial visit to EPTRI. As it made them to learn about new research ideas and advanced concepts regarding protection and development of environment

Department of BOTANY FIELD TRIP

The Department of Botany, Vaagdevi Degree & PG College, Hanumakonda regularly conduct the field trip to the students as in the part of curriculum and it is mandatory; and the final year Students of B.Sc. Botany, Vaagdevi Degree & PG College, Kishanpura, Hanamkonda visited the Blackberry area (Pasra), Mallur-Medicinal Plant Conservation Area (MPCA) hill area and Tadvai forest area and Ramappa temple on 5<sup>th</sup> November, 2023, under the able guidance of our beloved teachers Dr Sateesh Suthari, Mrs. R. Bhargavi, Mrs. A. Kavitha, Mrs. K. Manisha, and lab assistants Mr G. Mogili, Mr Sadanandam from Department of Botany and other departments of the college.

We collected the plant specimens of timber yielding plants, fruit bearing plants, nuts, beverages and highly medicinal value plants from Mallur hill region and Eturnagaram wildlife sanctuary; and other visited places to make herbaria. The information is explained about the medicinal value and other important plants that are used for human as well veterinary purposes, food plants, fibre, vegetables, procurement of non-timber forest products (NTFPs), etc. by our beloved faculty.

Forest types of visited areas: It is tropical dry deciduous type dominated by *Terminalia* alata, *Diospyros melanoxylon*, *Chloroxylon swietenia*, *Hardwickia binata*, *Lannea* coromandelica, *Gitonia floribunda*, *Cleistanthus collinus*, *Madhuca longifolia* var. *latifolia*, *Combretum albidum* and *Terminalia arjuna* along the stream.

Observation: It is observed that on the name of development, the construction of guest house, stairs to temple, laying pathway to Chintamani jalapatam (waterfall) and Chenchulaxmi jalapatham made the core areas of the hill region disturbed in Mallur hills. And also observed that the intrusion of invasive alien species into the core areas of forest regions is destroying in all the sites, mainly by *Hyptis suaveolens, Chromolaena odorata, Parthenium hysterophorus, Lantana camara, Tridax procumbens, Cyanthillium cinerium, Acmella paniculata*, etc.

### Department of Physics & Electronics

Explore, Experiment, Excel

In association with

**IQAC-Vaagdevi Degree and PG College** 

#### A brief report on one day

#### **National Conference on Soft and Nanomaterials (NCSNM-2023)**

The Department of Physics and Electronics organized the one-day international conference "National Conference on Soft and Nanomaterials (NCSNM-2023)" on December 6, 2023, in Block-B of Vaagdevi Degree and PG College in collaboration with the Internal Quality Assurance Cell (IQAC) of Vaagdevi Degree and PG College, Hanamkonda, India.

#### **Inaugural session**

The inaugural celebration of the conference transpired on December 6, 2023, wherein Dr.G. Rajagrasad, the Head and convener of this event organized by the Department of Physics and Electronics, Vaagdevi Degree and PG College, Hanamkonda delivered the welcoming address. The primary theme of this conference was also disclosed by the convener at the time of the inaugural session. Dr Ch. Devedar Reddy, Secretory and correspondent of Viswambhara Educational Society presented the presidential address, wherein he extended his best wishes for the future endeavors of the participants. Our esteemed Academic Director Smt. Dr. Ch. Vahini together with our distinguished Principal Dr. A. Sheshachalam, Vice-Principal Dr. P. Harender Reddy, Dean-Faculty of Life Sciences Dr. G. Vikram honored the gathering of the International Conference on Physics of Emerging Materials (IVCPEMM –2021). Asst. Prof. Ch. Dattatreyulu, HOD-Commerce Department – Examinations Branch, had proposed a vote of thanks.

#### **Technical Session**

Prof. Dr. D. Haranath from the Department of Physics, NITW, Telangana delivered the invited lecture of the first day, focusing on the Photoluminescence properties of nanocomposite materials. Asst. Prof. Dr. A. Srinivas Reddy of the Department of Chemistry-VDPGC chaired the first session. Asst. Prof. Dr. Vanga Ganesh from the Department of Physics King Khalid Univeristy-Kingdom of Saudi Arabia delivered a talk on the magnetic properties of nanomaterials during the second technical session. This session was chaired by Asst. Prof. M, Narasimha Murthy, Department of Physics and Electronics-VDPGC.

The third technical session was chaired by G. Madhukar. During this session, the speaker Dr. P. Madhukar from the Department of Physics, CMR Technical Campus, Secunderabad, India elaborated extensively on the crucial role of nanoscience and nanotechnology in the field of medical science-related devices. The fourth technical session of the conference was chaired by

M. Gopi Krishna from the Department of Physics and Electronics-VDPGC. The speaker of this third session was Asst. Prof. A. Srinivas Reddy, Department of Chemistry, Vaagdevi Degree and PG College. He focused during his talk on the interaction of incident radiation with the nanoparticles during the study of photocatalytic activity.

#### **Valedictory Session**

In the afternoon, the valedictory Function commenced with the welcome Address delivered by the Convener of the event Asst. Prof. Dr. G. Rajaprasad, Department of Physics and Electronics-VDPGC provided a comprehensive summarized report on all the technical sessions to the participants. Following this, the Secretary and Correspondent-Viswambhara Educational Society Dr. Ch. Devender Redyy, Academic director Dr. Ch. Vahini, Principal Dr. A. Sheshachalam, Vice-Principal Dr. P. Harender Reddy expressed their heartfelt gratitude to the attendees. Subsequently, a Feedback session was held, during which the participants from various institutes from all over India were asked and invited to share their experiences regarding this event.

A total of 150 participants attended the conference, encompassing a diverse array of individuals from various fields. Attendees' overwhelming favorable reaction to the event encouraged the organizers to plan more academic conferences of a similar nature in the near future, realizing the importance of the organized event in promoting cooperation and information sharing. The organizers are therefore inspired to look into possibilities for holding further events of this kind. Lastly, I would like to thank the event organizers for making it a huge success.

# DEPARTMENT OF FOOD SCIENCE AND QUALITY CONTROL AND DEPARTMENT OF NUTRITION AND DIETETICS

### (FOOD AND NUTRITION DEPARTMENT)

### **Advanced Learning Criteria**

Industrial visit 2023-24

Date: 14th October, 2023, Time: 10.00 am -2.00 pm

Beneficiaries: B.Sc Food Science and Msc Food Science Final Year

**Total Students: 50** 

Faculty Members: 03 Industry Name: Oshon - Dolphin Foods India Limited Hyderabad.

**Objective of the Session** 

As part of the **Advanced Learning Criteria** for the **Food Science and Nutrition program**, the Department of Food and Nutrition organized a series of field trips during the **2023-2024 academic year**. These trips were designed to provide students with hands-on learning opportunities in real-world food science and nutrition contexts. The field trips offered invaluable insights into industry practices, food production technologies, and the application of theoretical knowledge in professional settings.

The visit to Oshon - Dolphin Foods India Limited was a valuable experience for the students, providing practical exposure to the intricacies of food processing and manufacturing. The insights gained will undoubtedly enhance their understanding and application of food science principles in real-world scenarios. The students extend their gratitude to Oshon - Dolphin Foods India Limited for their warm hospitality and the informative tour, and to the department faculty for organizing the visit.

A total of **50 Food Science and Nutrition students**, accompanied by **3 faculty members**, participated in these field trips throughout the academic year.

Report on Industrial Visit to Priya Dairy, Karimnagar

Date: 09th February, 2024, Time: 10.00 am -2.00 pm

Beneficiaries: B.Sc Food Science and Msc Food Science Final Year

**Total Students:** 40

Faculty Members: 03 Industry Name: Oshon - Dolphin Foods India Limited Hyderabad.

**Objective of the Session** 

As part of the Advanced Learning Criteria for the Food Science and Nutrition program, the

Department of Food and Nutrition organized a series of field trips during the 2023-2024

academic year. These trips were designed to provide students with hands-on learning

opportunities in real-world food science and nutrition contexts. The field trips offered invaluable

insights into industry practices, food production technologies, and the application of theoretical

knowledge in professional settings.

**Introduction:** 

The students of the Department of Food Science and Technology visited Priya Dairy, a

prominent dairy processing facility in Karimnagar. The visit aimed to provide students with

practical exposure to dairy processing, quality assurance, and the operations of a modern dairy

industry.

**Objectives**:

1. To understand the end-to-end process of dairy product manufacturing.

2. To learn about quality control measures in milk and dairy products.

3. To observe the implementation of food safety and hygiene practices.

**Key Learnings:** 

1. Milk Procurement and Quality Testing:

o Insights into milk collection from farmers and cooperative societies.

 Understanding of milk quality testing for parameters such as fat content, SNF (Solids Not Fat), and adulteration.

### 2. Dairy Processing:

- Step-by-step observation of pasteurization, homogenization, and chilling processes.
- Overview of the production of dairy products like butter, ghee, yogurt, and flavored milk.

### 3. Packaging and Storage:

- Demonstration of modern packaging techniques for extended shelf life and consumer appeal.
- o Importance of maintaining cold chain logistics to ensure product freshness.

### 4. Quality Assurance and Food Safety:

- o Importance of maintaining hygiene and sanitation in all stages of production.
- Understanding compliance with FSSAI (Food Safety and Standards Authority of India) guidelines and other certifications.

### 5. Sustainability Practices:

 Observation of water recycling, energy conservation, and waste management practices at the plant.

### **Conclusion:**

The visit to Priya Dairy provided invaluable insights into the practical aspects of dairy processing and quality control. Students gained hands-on knowledge of the challenges and advancements in the dairy industry, enhancing their understanding of the field.

### **Acknowledgment:**

The students express their sincere gratitude to Priya Dairy management for their guidance and support during the visit and to the department faculty for organizing this enriching experience.

### Report on Industrial Visit to Hindustan Coca-Cola Beverages, Hyderabad

Date: 09-03- 2024

**Time:** 09 AM - 3 PM

Beneficiaries: M.Sc I year And B.Sc Food Science Final Year

**Total Students: 51** 

Faculty Members: 02

Industry Name: Hindustan Coca-Cola Beverages,

**Objective of the Session** 

### **Introduction**:

The students of the Department of Food Science and Technology had the opportunity to visit Hindustan Coca-Cola Beverages, Hyderabad. The visit was organized to provide students with practical exposure to beverage manufacturing, quality assurance, and operational efficiency in a world-class production facility.

### **Objectives**:

- 1. To understand the manufacturing and bottling process of carbonated and non-carbonated beverages.
- 2. To observe quality control measures and food safety practices.
- 3. To gain insights into modern packaging technologies and supply chain management.

### **Key Learnings**:

### 1. Beverage Manufacturing Process:

- Detailed observation of beverage formulation, mixing, carbonation, and filling processes.
- Understanding the role of precise automation and high-speed machinery in achieving consistency.

### 2. Water Treatment and Quality:

- Learning about water purification and treatment techniques to ensure product safety.
- Importance of maintaining strict quality standards for water as the primary ingredient.

### 3. Quality Control and Food Safety:

- o Overview of rigorous quality checks at every stage of production.
- Implementation of global food safety standards, including ISO certifications and HACCP principles.

### 4. Packaging and Labeling:

- Insights into advanced packaging technologies, including PET bottling, canning, and labeling.
- Importance of eco-friendly practices like lightweight packaging and recycling initiatives.

### 5. Sustainability Practices:

 Observation of energy-efficient systems, waste management, and water conservation practices adopted by the plant.

### 6. Supply Chain Management:

 Understanding distribution logistics and inventory management to meet market demands efficiently.

### **Conclusion:**

The visit to Hindustan Coca-Cola Beverages provided a comprehensive understanding of beverage manufacturing and the importance of quality, safety, and sustainability in the food and beverage industry. The experience was highly beneficial in connecting theoretical knowledge with real-world industrial practices.

### **Acknowledgment**:

The students extend their heartfelt thanks to the management of Hindustan Coca-Cola Beverages for their informative and welcoming approach and to the department faculty for organizing this educational visit.

Report on Internship at MSME Baking Technology, Hyderabad

**Duration**: 1 Month

Organized for: M.Sc. Food Science Students

### **Introduction:**

A one-month intensive internship was conducted at MSME Baking Technology, Hyderabad, to provide students with practical training in modern baking techniques and operations. This program was designed to enhance the students' skills in baking and familiarize them with industrial baking standards and practices.

### **Objectives**:

- 1. To learn the fundamentals of baking science and technology.
- 2. To gain hands-on experience in the preparation of cakes, cookies, bread, and other baked products.
- 3. To understand the use of modern baking equipment and quality control measures in the baking industry.

### **Key Learnings**:

### 1. Basics of Baking Science:

O Understanding the role of key ingredients such as flour, sugar, leavening agents, and fats.

 Learning the chemical and physical processes involved in baking, such as gluten formation, emulsification, and caramelization.

### 2. Preparation of Baked Items:

- o Practical training in the preparation of various baked goods, including:
  - Cakes: Techniques for mixing, baking, and decorating.
  - Cookies: Dough preparation, shaping, and baking for consistent quality.
  - Bread: Steps for fermentation, proofing, and baking artisan and commercial bread.
  - Pastries: Preparation of puff pastries, tarts, and pies.

### 3. Equipment Handling and Maintenance:

- Hands-on experience with industrial baking equipment such as ovens, mixers, and dough sheeters.
- Understanding the importance of maintaining equipment for safety and efficiency.

### 4. Quality Control and Food Safety:

- Learning methods to ensure consistency in product quality through accurate measurements and baking parameters.
- Understanding food safety guidelines, hygiene standards, and the importance of proper storage.

### 5. Creative and Practical Skills:

- o Enhancing creativity in cake decoration and presentation.
- Gaining insights into troubleshooting common baking issues like uneven texture or incorrect rise.

### **Conclusion:**

The internship at MSME Baking Technology provided students with a comprehensive understanding of baking technology. The hands-on experience in preparing various baked items and operating industrial equipment equipped them with valuable skills for careers in the food and baking industry.

### **Acknowledgment**:

The students extend their heartfelt gratitude to MSME Baking Technology, Hyderabad, for their meticulous training and guidance. Special thanks to the faculty for their support and coordination in making this internship a success.

# Report on Internship at Samraksha Hospital 2023-24

**Duration**: 3 Months (Jan – March)

Supervisor: Registered Dietitian Dt. Saritha Sree

**Organized for:** B.Sc. Nutrition Students (38 Students)

### **Introduction**:

As part of the mandatory curriculum for B.Sc. Nutrition students, a three-month internship was conducted at Samraksha Hospital under the expert supervision of Dt. Saritha Sree. This internship aimed to provide hands-on experience in clinical nutrition, dietary management, and patient counseling.

### **Objectives**:

- 1. To understand the role of a dietitian in a clinical setting.
- 2. To gain practical knowledge in nutritional assessment and dietary planning.
- 3. To learn the dietary management of various medical conditions.

### **Key Learnings**:

### 1. Nutritional Assessment:

- Students learned to conduct anthropometric measurements and evaluate dietary histories.
- Practical exposure to calculating BMI, ideal body weight, and calorie requirements for patients.

### 2. Dietary Planning and Modifications:

- Developing individualized diet plans for patients based on medical conditions such as diabetes, hypertension, obesity, and renal disorders.
- Hands-on experience in planning therapeutic diets, including low-sodium, lowprotein, and high-fiber diets.

### 3. Clinical Nutrition Practices:

- Observing the nutritional management of critically ill patients in ICU, including enteral and parenteral feeding.
- o Understanding the importance of nutrient timing and portion control in recovery.

### 4. Patient Counseling:

- o Learning effective communication skills for dietary counseling.
- Educating patients and their families about the importance of nutrition in managing chronic diseases.

### 5. Food Service Management:

- o Gaining insights into hospital kitchen operations and meal preparation protocols.
- Ensuring food safety and hygiene compliance during meal preparation and distribution.

### **Conclusion:**

The internship at Samraksha Hospital was a transformative learning experience, equipping students with essential skills in clinical nutrition and patient care. The guidance of Dt. Saritha Sree ensured a deep understanding of the practical applications of nutrition science in a healthcare setting.

### **Acknowledgment:**

The students express their gratitude to Dt. Saritha Sree for her mentorship and Samraksha Hospital for providing an enriching platform for experiential learning. Special thanks to the faculty for their support and coordination in organizing this mandatory internship.

# SCIENCE ACADEMIES' LECTURE WORKSHOP ON "ADVANCES IN PLANT SCIENCES DURING 21st CENTURY" (20th & 21st March, 2024)

Theme of the Lecture Workshop with Eco-friendly decoration

Release of Lecture Workshop brochure by Dr Ch. Vahini Devi, Academic Director, Vaagdevi Colleges and Life Science Faculty for wide publicity

Enrolling of Participants and Distribution of Lecture Workshop kit to the Participants at Registration Desk

## Theme of the Lecture Workshop: Advances in Plant Sciences during 21<sup>st</sup> Century

**Preamble:** Two-day Lecture Workshop is one of the important scales of the activities of the Science Academies' Programmes to ignite and improve the scientific tempo among the students and faculty organized by the Joint Science Education Panel of the three Joint Science Academies. The primary focus is to enhance the quality of science education at UG and PG Levels, research scholars and teaching faculty. In recent times, it is highly needed to fulfill the needs of the living beings, for this, it is very important to opt advanced emerging techniques in the plant sciences. The two-day lecture workshop has designed to cover the curricula of graduate and post-graduate studies in universities and affiliated institutions.

Goal of the Lecture Workshop: The main aim of the workshop is to aware the students, research scholars and teaching faculty about the research outcome of emerging new technologies in plant sciences during 21<sup>st</sup> century and ignite the young minds to opt plant sciences as career option.

#### **Objectives**

- 1. To highlight the branches of plant sciences like taxonomy, mycology, pathology, bioremediation, ecology, biodiversity and DNA barcoding.
- 2. To bring out standing, well-trained scientists from national academies, faculty and students on to a single and common platform to discuss about the advanced technologies emerged especially in plant sciences during 21<sup>st</sup> century.
- 3. To impart the knowledge to young turks to ignite research orientation in the students.
- 4. To motivate early career students to pursue plant sciences as their career option.
- 5. To update plant biology faculty knowledge on advance developments and modern techniques in plant sciences.
- 6. To create awareness among the students and faculty members to know the research outcome of emerging new technologies during 21<sup>st</sup> century within the field of plant sciences.
- 7. To train the students, early-career researchers, teachers in plant exploration studies, collection processes, identification and naming of plant taxa.
- 8. To elucidate the taxonomic issues using an efficient tool like DNA barcoding, ISSR markers studies, etc.

**Participants:** With the wide publicity through circulation of brochure among different colleges in Telangana and social media announcement, a total of 150 applicants (Teachers, graduate students, research scholars) from various Universities, Degree & PG Colleges has been registered to participate actively in the Two-day Joint Science Academies' Lecture Workshop on 'Advances in Plant Sciences during 21<sup>st</sup> Century' on 20<sup>th</sup> and 21<sup>st</sup> March, 2024.

Unfurling of a Giant Banner by the Chief Guest and other Guests of Honour at Main Block of Vaagdevi Degree & PG College

Inviting Chief Guests and other Guests on to the Dais by Dr R. Bhargavi and Invocation song by students

Release of Abstract of the Lecture Workshop by the Chief Guest and other Dignitaries on the dais during Inaugural Session

Prof. T. Ramesh, Vice-Chancellor, Kakatiya University, addressing the Inaugural Session

Message by Dr Ch. Vahini Devi, Academic Director, Vaagdevi Colleges

Presidential remarks by Dr A. Shesha Chalam, Principal

Activities organized by three Science Academies introduced by the Convener of LW, Prof. C. Manoharachary

Presenting a Brief Report by the Coordinator of LW, Dr Sateesh Suthari

Felicitations to the Chief Guest by the Academic Director, Principal, Vice-Principal, IQAC Co-ordinator and LW Co-ordinator

#### CONSOLIDATED REPORT ON THE LECTURE WORKSHOP

A two-day three Joint Science Academies' Lecture Workshop on 'Advances in Plant Sciences during 21st Century' held during 20th to 21st January, 2024 sponsored by Indian Academy of Sciences (Bengaluru), Indian National Science Academy (New Delhi) and the National Academy of Sciences (Prayagraj), organized by the Department of Botany, Vaagdevi Degree & PG College, Hanamkonda, Telangana, India. The Lecture Workshop Convener is Prof. C. Manoharachary (Hon. NASI Senior Scientist; Osmania University, Hyderabad) and the Co-ordinator is Dr Sateesh Suthari, Head, Department of Botany. The Lecture Workshop announcement has published in print and social media and also the LW brochures have circulated to Colleges, Universities and Research Institutions by India Post. A total of 150 participants were registered from different districts of Telangana State. Four (4) resource persons have delivered their lectures during two-days on advances in plant sciences during 21st Century.

### **Inaugural Session**

The Lecture Workshop was began with the distribution of kit (folder, scribbling pad, handmade pen and abstract material) for 150 participants on 20<sup>th</sup> March, 2024 during 9 am to 10 am. As customary, we convened a brief inaugural session before actual lecture workshop starts. The Inaugural programme started at 10 am sharply with a warm welcome by Dr R. Bhargavi, Assistant Professor of Botany, Vaagdevi Degree & PG College, Hanamkonda. Dr Bhargavi invited all the dignitaries on to the dais Dr A. Shesha Chalam (Principal & President of the session), Prof. T. Ramesh, Vice-Chancellor, KU (Chief Guest), Dr Ch. Vahini Devi (Distinguished Guest), Guests of Honour Prof. C. Manoharachary (Convener of LW), Dr R.R. Rao, Prof. S.M. Reddy, Dr Velusamy Sundaresan, Dr G. Laxma Reddy, Dr P. Harender Reddy, Dr G. Rajaprasad, Dr G. Vikram, and Dr Sateesh Suthari, LW Co-ordinator. The programme started with lightening of the lamp with the Chief Guest and other dignitaries on the dais followed by Invocation song by the Students.

In the Inaugural session, Prof. C. Manoharachary, Convener has highlighted the various activities sponsored by the three Joint Academies and role of Science Academies. He gave a brief history about the role of science academies in promotoing strong science platform in universities and colleges, especially in rural areas in sponsoring various scientific programmes like Summer Research Fellowships for students and faculties to learn the advanced research and also point out the four journals that are being published by the science academies. Dr Sateesh Suthari, as Coordinator of the LW on "Advances in Plant Sciences during 21st Century' set forth the importance of the LW and acknowledged the funding agencies.

Prof. T. Ramesh, Hon'ble Vice-Chancellor, KU and Chief guest stressed the importance of advanced techniques in plant sciences as well the importance of crop production, high yielding, disease resistant plants, pollution, global warming, climate change and indigenous knowledge to ethnic people and utilization for the commercialization to synthesize the drugs. Dr G. Laxma Reddy, Head, Department of Botany, KU, attended as guest of honour and greeted on the occasion, and stressed the importance of LW and explained about the importance of plant sciences in day-to-day life. Prof. S.M. Reddy, retired Professor, Dept. of Botany, KU, commented on the role of plants for the living world.

Dr Ch. Vahini Devi, Academic Director of Vaagdevi Colleges, emphasized the importance of two-day LW and congratulated the entire faculty of Botany and other science departments and directed the young students about the target oriented studies.

Prof. S. Ram Reddy greeted the students on the occasion and stressed the importance of plants and advanced emerging techniques have been utilizing for the improvement of crop production. Dr P. Harender Reddy (Ac.-Co. & VP), Dr G. Rajaprasad (IQAC Coordinator) G. Vikram, Dean, FoS greeted all the delegates and encouraged. The inaugural session ended with vote of thanks by Smt. A. Kavitha, Assistant Professor, Department of Botany.

#### **About Lectures by Eminent Scientists**

#### **DAY-1:**

On the first day, 20.03.2024, first lecture was delivered by Dr R.R. Rao on 'Floristic Diversity in India – Concerns and Strategies' and in his lecture he gave a central idea about the floristic wealth and diversity in India and how we enjoy with rich biota explained very clearly. The second lecture is by Prof. C. Manoharachary on 'Diversity and Taxonomy of Fungi, and stressed about the importance of microorganisms such as fungi how they are important in our day-to-day life. The third lecture is on 'Conservation of Threatened Plants and Threatened Habitats- Indian Concerns and Responses' by Dr RR Rao and followed by fourth lecture by 'Endophytic fungi – Nature's hidden wealth' by Prof. C. Manoharachary. The first day was ended with cultural activities performed by the college students for one hour, i.e. 5 to 6 pm.

#### **DAY-2:**

On second day, 21.03.2024, Fifth lecture is on 'DNA Barcoding calibrating taxonomy within genomes and insights from the case studies' by Dr Velusamy Sundaresan. Sixth lecture is by Prof. M.N.V. Prasad, University of Hyderabad, inspired the participants with his talk on the 'Relevance of Plant Biology to combat climate change crisis' and explained elaborately how the Advances in plant based science and technologies have enabled us to apply the potential of biological diversity for pollution abatement. Seventh lecture is by Prof. M.N.V. Prasad on 'Plants as environmental pollution cleanup crews, where eighth lecture is on 'Advances in plant prospection for human welfare' by Dr Velusamy Sundaresan. In this LW, eminent scientists, Professors, scholars, faculty and students from different institutions were actively participated.

#### **Valedictory Programme**

The Lecture Workshop was ended with Valedictory function with report submission by Dr Sateesh Suthari, Co-ordinator of Lecture Workshop and addressed by Prof. C. Manoharachary, LW Convener, Hon. NASI Senior Scientist, Osmania University, Hyderabad. The Valedictory programme was started at 4 pm on second day, with cordial welcome by Dr R. Bhargavi, Assistant Professor of Botany, Vaagdevi Degree & PG College, Hanamkonda. Dr Bhargavi invited all the dignitaries on to the dais Dr A. Shesha Chalam (Principal & President of the session), Prof. Md. Mustafa, BoS Chairperson, Department of Botany, KU (Chief Guest), Guests of Honour Prof. C. Manoharachary (Convener of LW), Dr R.R. Rao, Prof. M.N.V. Prasad, Dr Velusamy Sundaresan, Dr P. Harender Reddy, Dr G. Rajaprasad, Dr G. Vikram, and Dr Sateesh Suthari, LW Co-ordinator and the vote of thanks was delivered by Smt. A. Kavitha, Faculty of Botany. Dr A. Shesha Chalam, Principal, Vaagdevi Degree & PG College expressed his gratitude for the financial-aid from Indian Academy of Sciences (Bengaluru), Indian National Science Academy (New Delhi), the National Academy of Sciences (Prayagraj) to conduct the two-day national event and appreciated the Coordinator of Lecture Workshop for taking pain to organize the event in the college.

Two students and two teachers participants have given their excellent feedback on two-day lecture workshop and expressed their view on the necessity of 2 week hands on training programme in rural area like Warangal. Then the workshop Convener Prof. C. Manoharachary and Dr R.R. Rao (formerly CSIR Emeritus Scientist) have promised on the stage that they will bring to the notice of Joint Science Academies. The overall feedback is about the lecture workshop is well appreciated by all the participants and acknowledged all the three joint science academies' for sponsoring this kind of programmes for which the lecture workshop has ignited the zeal in the hearts of several students to enter plant science research and also research scholars to seek job in academic institutions and in different industries.

Before conclusion, the dignitaries on the felicitated all resource persons, namely, Prof. C. Manoharachary, Dr R.R. Rao, Prof. M.N.V. Prasad and Dr Velusamy Sundaresan. Distribution of Certificates to the participants was done at the ending. Finally, the valedictory session was concluded with a pray of National Anthem, 'Jana Gana Mana.....' by all the participants in the Auditorium and then all the Guests, Resource Persons, Organizers and participants moved towards the main entrance for a Group Photo.

### The detailed Schedule of the Two-day Science Academies' **Lecture Workshop**

**Programme Sheet Day 1**: 20<sup>th</sup> March, 2024

9:00 am onwards	Registration	Auditorium, Department of Botany,	
		Vaagdevi Degree & PG College (A)	
10:00 am -10:30 am	Inaugural function		
10:30 am -10:45 am	TEA BR	EAK	
10:45 am – 12 noon	Lecture – I	Dr. R.R. Rao	
	<b>Title</b> : Floristic Diversity in	Formerly CSIR Emeritus Scientist	
	India – Concerns and	Bengaluru	
	Strategies	_	
12 noon - 1:15 pm	Lecture – II	Prof. C. Manoharachary	
	<b>Title</b> : Diversity and	Hon. NASI Senior Scientist,	
	Taxonomy of Fungi	Department of Botany, Osmania	
		University, Hyderabad	
1:15 pm – 2:15 pm	LUNCH		
2:15 pm – 3:30 pm	Lecture – III	Dr. R.R. Rao	
	<b>Title</b> : Conservation of	Formerly CSIR Emeritus Scientist	
	Threatened Plants and	Bengaluru	
	Threatened Habitats –		
	Indian Concerns and		
	Responses		
3:30 pm – 3:45 pm	TEA BREAK		
3:45 pm – 5:00 pm	Lecture - IV	Prof. C. Manoharachary	
	<b>Title</b> : Endophytic Fungi –	Hon. NASI Senior Scientist,	
	Nature's Hidden Wealth	Department of Botany, Osmania	
		University, Hyderabad	
5:00 pm – 6:00 pm	CULTURAL ACTIVITIES		

**Programme Sheet Day 2**: 21<sup>st</sup> March, 2024

9: 30 am – 10:45 pm	Lecture – V Title: DNA Barcoding: Calibrating taxonomy within genomes and insights from the case studies	Dr. Velusamy Sundaresan CSIR-CIMAP Bangalore	
10:45 am - 12:00 pm	Lecture – VI Title: Relevance of Plant Biology to Combat Climate Change Crisis	Prof. M.N.V. Prasad Emeritus Professor Department of Plant Sciences University of Hyderabad Hyderabad	
12:00 – 12:15 pm	TEA BREAK		
12:15 pm – 1:30 pm	Lecture – VI <b>Title</b> : Advances in Plant prospection for human welfare	Dr. Velusamy Sundaresan CSIR-CIMAP Bangalore	
1:30 – 2:30 pm	LUNCH		
2:30 – 3:45 pm	Lecture – VIII <b>Title</b> : Plants as environmental pollution cleanup crews	Prof. M.N.V. Prasad Emeritus Professor Department of Plant Sciences University of Hyderabad Hyderabad	
3:45–4:00 pm	HIGH TEA		
4:00 – 4:30 pm	VALEDICTORY FUNCTION		

### **Press Coverage**

## విత్తనాల ఉత్పత్తి బాధ్యత శాస్త్రవేత్తలపై ఉంది

నయాంనగర్, మార్చి 20: ఎక్కువ పోషకాలు కలిగిన విత్తనా లను ఉత్పత్తి చేసే బాధ్యత శాస్త్రవేత్తలపై ఉందని కాకతీయ యూనివర్సిటీ వైస్ ఛాన్స్ఆర్ ప్రొఫెసర్ తాటికొండ రమేష్ అన్నారు. హనుమకొండ కిషన్ఫోరలోని వాగ్దేవి డిగ్రీ, పీజీ కళాశాలలో '21వ శతాబ్దంలో వృక్షవిజ్ఞానశాస్త్రంలో ఆధునిక పోకడలు' అనే అంశంపై సైన్స్ అకాడమీస్ లెక్చర్ వర్క్-షాప్ ను బుధవారం నిర్వహించారు. ఈ కార్యక్రమానికి ముఖ్యఅతిథిగా కేయూ వైస్ ఛాన్స్ లర్ బ్రొఫెనర్ తాటికొండ రమేష్ హాజరై మాట్లాడారు. నేడు ప్రపంచం ఎదుర్కొం టున్న కాలుష్యం, పర్యావరణ సమస్యలు, భూమీ వేడెక్కడం, వాతా వరణ మార్పులు వంటి సమస్యలను అధిగమించాలంటే సైన్స్ లో విశిష్టమైన వరిశోధనలు జరగాల్సిన అవసరముందన్నారు. అనం తరం సైన్స్ అకాడమీస్ లెక్చర్ వర్క్-షాప్ పై రూపొందించిన వుస్త కాన్ని వీసీ రమేష్ చేతుల మీదుగా ఆవిష్కరించారు. ఈ కార్యక మంలో వాగ్దేవి కళాశాలల అకాడమిక్ డైరెక్టర్ డాక్టర్ సీహెచ్వాహి సీదేవి, డ్రిస్సిపాల్ డాక్టర్ శేషాచలం, నుందరావన్, లక్ష్మారెడ్డి, పి.హ రీందరొండ్కి, వర్క్ షాప్ కన్వీనర్ బ్రౌఫెసర్ సి.మనోహరచారి, వివిధ విభాగాధిపతులు తదితరులు పాల్గొన్నారు.

### Acknowledgements

We, the faculty of Department of Botany express our deep sense of gratitude to three Joint Science Academies - Indian Academy of Sciences (Bengaluru), Indian National Science Academy (New Delhi), the National Academy of Sciences (Prayagraj), for the financial support to conduct the two-day Joint Science Academies Lecture Workshop which has been ignited the young minds of rural area. We acknowledge the encouragement and support from the Management of Vaagdevi Colleges, Dr Ch. Devender Reddy, Secretary and Correspondent, Dr Ch. Vahini Devi, Academic Director, Dr A. Shesha Chalam, Principal and Dr P. Harender Reddy, Vice Principal & Academic Co-ordinator.

We also express our sincere gratitude to Prof. T. Ramesh, Hon'ble Vice-Chancellor, KU; Prof. P. Malla Reddy, Registrar, KU, Dr G. Laxma Reddy, Head, Department of Botany, KU; Dr Md. Mustafa, BOS, Chairperson in Botany, KU for gracing the occasions Inaugural and Valedictory sessions. We express our sincere thanks to all the resource persons, Prof. C. Manoharachary (Convener), Dr RR Rao, Prof. MNV Prasad, Dr Velusamy Sundaresan for their outstanding contributions in the field of science and highly thought provoking 08 lectures during two-day Lecture Workshop.

#### **FORMAL ACTIVITIES**

**OF** 

#### **COMMERCE AND BUSINESS MANAGEMENT**

The importance of commerce exhibitions lies in their ability to drive engagement and empower businesses. Networking is at the heart of these events, where professionals and entrepreneurs come together to exchange ideas, form partnerships, and uncover new opportunities. Whether it's for showcasing innovative products, unveiling breakthroughs, or learning about trendsand the future of the market, every moment is an opportunity for transformation.

#### **Guests of Honour's for commerce and Business Management**

Dr. Rajendar Singh Sir, Joint Director, CCE, Hyderabad. Dr. D.T. Chary Sir, Academic Guidance Officer, CCE, Hyderabad also graced the Exhibition.

The guests at this exhibition play a crucial role in evaluating and appreciating students' projects. Their presence brings encouragement, offering valuable insights, support, and recognition to the participants. The esteemed Guests Bridge the gap between students and industry, inspiring innovation and guiding young minds with their feedback. Their involvement highlights the importance of mentor-ship and community engagement in educational initiatives.

#### **Judgement for Exhibits**

The guest appears engaged, asking insightful questions to the students about their exhibit. Their curiosity and interest encourage them to explain their project in detail, fostering a meaningful exchange. This interaction highlights the importance of their work, while also providing the students an opportunity to showcase their knowledge and confidence in presenting their ideas.

#### **Students Exhibits**

Participating in exhibitions at the degree level provides students with hands-on experience, boosting their confidence in presenting ideas and engaging with industry experts. This exposure helps them build essential communication, teamwork, and problem-solving skills that are invaluable in their future careers. Exhibitions also offer networking opportunities, potentially leading to internships, mentorship, and industry connections that support career growth.

Head of the Department [C. Dattatreyulu] MFA (Ph.D)

The Head of Department plays a pivotal role in the commerce exhibition, providing leadership and direction that elevates the entire event. By guiding students, coordinating faculty, and fostering a spirit of innovation, the Head of Department bridges academia with industry, creating opportunities for students to learn, network, and gain invaluable real-world insights. Their involvement ensures a professional, impact full exhibition that showcases the department's strengths and enhances the students' academic experience.

### Commerce & Business Management Faculty

Department faculty members are essential for the success of a commerce exhibition, offering mentor-ship, expertise, and support to students. They guide project development, encourage creativity, and ensure academic rigor, helping students refine their ideas and presentations. Faculty also facilitate connections with industry professionals, enhancing students' learning experiences and career readiness.

Vaagdevi Degree and PG College plays a foundational role in the commerce exhibition, providing resources, support, and a platform for students to showcase their skills. By organizing and promoting the event, the college fosters an environment of learning, innovation, and professional growth, connecting students with industry professionals and enhancing their career prospects through real-world exposure.

### **Business Plans PresentationPrepared by Students**

Degree students prepare business plans, they take on roles that involve research, creativity, and strategic thinking. They analyze markets, identify target customers, forecast finances, and develop practical solutions to business problems. This process sharpens their entrepreneurial mindset, enhances teamwork and communication skills, and prepares them for future professional roles in business.

### **Certificate Distribution by students**

Students prepare business plans, they actively engage in research, creativity, and strategic planning. They assess market needs, analyze financial feasibility, and make data-driven decisions. This experience fosters critical thinking and teamwork skills. Judging their plans highlights areas for improvement, encourages innovation, and helps students refine their approach to real-world business scenarios, and awarded by best plan, presentation.

### **Speech**

In preparing business plans, students take on roles that involve market research, financial analysis, and strategic planning, applying critical and creative thinking. Judging these plans helps identify strengths and areas for improvement. Through encouragement, students support each other's ideas, foster teamwork, and build confidence, creating a collaborative learning environment.

### Mentorship

When students prepare business plans, they engage in roles that require research, strategic thinking, and financial planning. They assess market trends, analyze customer needs, and create viable solutions. In a guideship role, instructors mentor students, providing direction, constructive feedback, and industry insights, helping them refine their skills and build confidence.

### PINNACLE FORMAL EVENT ORGANIZED

### BY COMMERCES AND BUSINESS MANAGEMENT

The Pinnacle is organizing a formal event focused on Commerce and Business Management, providing a platform for aspiring professionals and students to gain insights into the latest industry trends. This event aims to bridge the gap between academic learning and real-world application by bringing together experienced speakers, business leaders, and educators. Attendees will have the opportunity to participate in interactive sessions, panel discussions, and networking activities designed to deepen their understanding of key business concepts and strategies. The event is an ideal opportunity for students to develop practical knowledge, refine their career goals, and connect with potential mentors and employers in the business world.

### **Balance Sheet ka Badsha writren test**

### Balance Sheet ka Badsha'' – The Ultimate Commerce Test

Unleash your financial acumen and mastery over balance sheets with "Balance Sheet ka Badsha," an exhilarating competition for commerce enthusiasts! This test invites students to demonstrate their prowess in accounting, finance, and business principles through a series of challenging questions designed to push the boundaries of conventional understanding.

### **EVENT OF BIDDING**

Students are participating in an IPL bidding event is a fantastic opportunity to showcase your strategic thinking, analytical skills, and teamwork. Embrace this challenge with confidence and creativity—every bid and decision you make is a chance to learn, grow, and demonstrate your potential. Believe in yourself and make each moment count!

**ROLE OF ORGANIZER** 

As you step into the IPL bidding event, remember that this is a unique platform to exhibit your strategic, analytical, and decision-making skills. Approach each decision with confidence, stay focused, and embrace this experience as a valuable learning journey. Trust your abilities, collaborate with your team, and enjoy the process—every bid is a stepping stone to growth and success. In a mentoring role, advisors guide students through this complex process, offering insights into strategy, market dynamics, and risk assessment. Mentors provide feedback, encourage critical thinking, and help students understand the balance between intuition and analysis, empowering them to make well-informed decisions.

Director Dr. Ch. Devender Reddy &Dr.Ch. Vahinidevi Garu

The Director of Degree College plays a crucial role in overseeing the Pinnacle formal event focused on Commerce and Business Management. As the event's leader, the Director ensures its smooth execution, from planning to final delivery, by coordinating with faculty, speakers, and sponsors. Their responsibilities include curating an impactfull agenda, inviting industry experts, and fostering partnerships that enhance the event's educational value. By guiding the event team, the Director also ensures that every session aligns with the college's mission to equip students with real-world business insights. Their leadership is pivotal in creating a memorable, valuable experience that inspires students' academic and career aspirations.

### **Felicitation of Guest of Honours**

The Guest of Honour at Degree College's Pinnacle formal Commerce and Business Management event plays an esteemed role, offering expert insights and inspiring students with real-world knowledge. As a respected industry professional, they bring credibility to the event, setting a high standard for learning and engagement. Their role may also include judging competitions or evaluating presentations, where they provide valuable feedback and recognize students' efforts. This feedback helps students understand industry expectations and refine their skills. In their address, the Guest of Honour shares experiences and career advice, motivating students to excel in their academic and professional pursuits. Their presence enhances the event's prestige and impact.

### Team Building of Department

In the Pinnacle formal Commerce and Business Management event, the Head of Department, other faculty members, and students each play essential roles to ensure its success. Provides strategic direction, aligning the event's objectives with academic goals and overseeing coordination among departments. The HOD also facilitates collaboration with industry experts and supports faculty in organizing sessions that provide real-world insights.

Faculty members contribute by curating relevant content, organizing workshops, and inviting distinguished speakers from the business community. They act as mentors, guiding students in preparing presentations and fostering discussions on current business trends, making the event an enriching educational experience.

Students play a dynamic role, actively participating in organizing, marketing, and managing the event logistics. Through teamwork, they help promote the event, handle registrations, and ensure a smooth flow of activities on the day of the event. This active involvement provides students with hands-on experience, enhancing their organizational, communication, and leadership skills, which are crucial for their future careers.

### Vinayaka Chavithi Pooja

Vinayaka Chavithi, also known as Ganesh Chaturthi, is a joyous occasion celebrating Lord Ganesha, the remover of obstacles and the harbinger of wisdom and prosperity. On this sacred day, devotees invoke His blessings with devotion and sincerity, beginning new ventures and seeking guidance. Ganesha's story reminds us of the power of humility, intellect, and perseverance. Let us embrace His teachings, fostering harmony and gratitude in our lives. As we offer modaks and prayers, let us also commit to eco-friendly celebrations, ensuring a balance between devotion and nature. May Lord Ganesha bless us all with success, happiness, and peace.

Fastivel day 18/09/203

## **Traditional Day Celebrations**

We gather to celebrate the rich heritage of Hindu traditions day of occation02/02/24, which are a cornerstone of India's cultural diversity. Hindu traditional days are not just about rituals; they embody values like respect, unity, and devotion. Festivals each us life lessons of hope, gratitude, and togetherness. Celebrating these traditions in our college reminds us of the importance of staying connected to our roots while embracing modernity. Let us take pride in preserving this legacy and promoting cultural harmony. May these traditions continue to inspire and guide us in our journey ahead.

### **Bhathukamma Celebrations**

Bathukamma is a vibrant Hindu festival celebrated predominantly in Telangana 2023, symbolizing the cultural spirit of the region. Dedicated to Goddess Gauri, it honors womanhood, nature, and life. Women gather to create intricate flower arrangements in a tiered shape, using seasonal blossoms like marigold, chrysanthemum, and lotus. These colorful Bathukammas are placed in the center of a gathering, where women sing traditional songs and dance around them with joy and devotion. The festival emphasizes gratitude to nature, as the flowers used are ecofriendly and biodegradable. Bathukamma fosters community bonding and celebrates the essence of togetherness, prosperity, and feminine power.
