Field trips

2022-23

Field Trip

The Department of Botany, Vaagdevi Degree & PG College, Hanumakonda regularly conduct the field trip to the students as in the part of curriculum and it is mandatory; and the final year Students of B.Sc. Botany, Vaagdevi Degree & PG College, Kishanpura, Hanamkonda visited the Blackberry area (Pasra), Mallur-Medicinal Plant Conservation Area (MPCA) hill area and Tadvai forest area and Ramappa temple on 5th November, 2023, under the able guidance of our beloved teachers Dr Sateesh Suthari, Mrs. R. Bhargavi, Mrs. A. Kavitha, Mrs. K. Manisha, and other departments colleagues Dr C. Padmavati, Mrs. K. Himabindu, Ms. Karishma, Ms. Manisha and lab assistants Mr G. Mogili, Mr Sadanandam, Mr Suresh from Department of Botany and other departments of the college.

We collected the plant specimens of timber yielding plants, fruit bearing plants, nuts, beverages and highly medicinal value plants from Mallur hill region and Eturnagaram wildlife sanctuary; and other visited places to make herbaria. The information is explained about the medicinal value and other important plants that are used for human as well veterinary purposes, food plants, fibre, vegetables, procurement of non-timber forest products (NTFPs), etc. by our beloved faculty.

Forest types of visited areas: It is tropical dry deciduous type dominated by *Terminalia alata*, *Diospyros melanoxylon*, *Chloroxylon swietenia*, *Hardwickia binata*, *Lannea coromandelica*, *Gitonia floribunda*, *Cleistanthus collinus*, *Madhuca longifolia* var. *latifolia*, *Combretum albidum* and *Terminalia arjuna* along the stream.

Observation: It is observed that on the name of development, the construction of guest house, stairs to temple, laying pathway to Chintamani jalapatam (waterfall) and Chenchulaxmi jalapatham made the core areas of the hill region disturbed in Mallur hills. And also observed that the intrusion of invasive alien species into the core areas of forest regions is destroying in all the sites, mainly by *Hyptis suaveolens*, *Chromolaena odorata*, *Parthenium hysterophorus*, *Lantana camara*, *Tridax procumbens*, *Cyanthillium cinerium*, *Acmella paniculata*, etc.

Inference: It is all of our primary responsibility to utilize the nature and natural resources in a sustainable way and conserve the native microbial, floral and faunal diversity (biodiversity) from various threats caused by anthropogenic pressures.

Feedback - We are very happy and blessed to

visit such an research institute / CIIR - CIMAP in Hyderabad. we have gained much knowledge in different plants varieties and their phytochemical analysis. We have seen these plants are used to extract products. They have shown around 68 varieties of plants & explained their potentials to produce substances by phytochemical analysis for different purposes & their use in valuable products.

Report on field visit to (TSRTC) Telangana State Road Transport Corporation

- Hanamkonda, Warangal.

As a part of field visit we have collected information about TSRTC, Hanamkonda. managing departments and management techniques. We have consulted all the departments, they do their best to satisfy their passenger with their service.

Mr. S. Surendhar, who is Senior Assistant in Accounting department with his 12½ years of experience, he has taught us about managing accounts, if there is a profit or loss. He is 52 years old

Office timings starts from 10:30am to 5:00pm. We were shown the particulars which was involved in calculating the expenditure. Their daily deposit to bank will be of 5 crores.

Source of payment and Revenue.

Passengers pay their fair through cash or latest technological tools like, QR code, paytm. . . . TSRTC also charge fair for cargo of goods. By all this daily payments, they will manage the expenses they incurred during the transportation and daily income will be calculated and transfer to concern bank account. Main source of revenue will be from petrol pump, under RTC, cargo and stalls in bus station. TSRTC even provided bus passes for 513,30 students.

TSRTC, Hanamkonda has 609 co-operation buses and 306 Higher buses with the minimum of 13 crore profits. They pay 65 lakhs for workers from their profits. During the month of december they got loss of (1 crore 15 lakhs) 1,15,00,000. Even during the pandemic the total revenue was fallen down and

Driver salary ranges between ₹ 0.8 lakh to ₹ 4.0 lakhs with an average annual salary. Employees will be retired at 60 years. If they have any health issues they can take medical retirements. ~~Bred~~ winner scheme is provided to, conductor, driver, security if they expire before 60 years. Additional monetary benefits are also provided if they don't need job. Employees will be recruited through various tests.

Conclusion

By this field visit to TSRTC, Hanamkonda we have learnt about management techniques, adoption of technology in work. This field work has gave us insight to work hard and building management skills within us.

By the report of TSRTC Hanamkonda employees, warangal region is in profit, if the situations are unchange it would run in profits.

RTC is not a monopoly. With the support of government, in issuing funds will even help more; them, to develop the transportation according to the latest technology. TSRTC is also taking the best safety measures for their passengers.

Personal Experience:

Field Visit, experienced us and gave an opportunity to know how to apply knowledge, gained in the classroom in the field of management. Through this field visit we have examined how management techniques, skills, resources are applied in the daily working schedule, and consistency is one of our biggest strengths that we need to possess. It was a great experience.
