Department of Chemistry:

The Department Chemistry was established in the College in 1998. The Department is involved in Teaching U.G. and P.G. students .M.Sc. (Chemistry) course was started in 1999 with a specialization in Organic Chemistry. The Department has well experienced, qualified, and motivated Faculty. The area of Research includes Synthesis of Natural Products, Heterocyclics and Peptides. Our Department has strong Alumni and good Industry interaction.

Vaagdevi Degree & PG College, Hanamkonda

Vaagdevi Degree & P.G. College is Established in 1993. It is one of the Prestigious Educational Institutes catering to the Higher Educational needs of Telangana State and is Affiliated with Kakatiya University. Over the years, the College has earned the reputation of imparting high-quality education with a holistic approach to developing the overall personality of the students. There are 15 departments offering 20 Under Graduate and 8 Postgraduate programs. About 5000 students across the state study on the campus, with excellent Infrastructure in the form of State of the Art Library, Seminar Hall, Auditorium, and Laboratories apart from experienced and enthusiastic Faculty. In addition, seminars, Workshops, and Faculty Development Programmes are regularly conducted to benefit the students and Faculty.

About the conference

The main aim of this conference is to create awareness about the alternative synthetic methods which are useful to reduce the environmental pollution caused by the chemistry and its principles.

Program Schedule	
9:30AM - 10:30AM	Inaugural Program: Chief Guest: Prof.Ch.Sanjeeva Reddy Kakatiya University, Warangal
10:45AM -12:15PM	Key note address: zirconium chloride catalysed organic synthesis Dr.Ch.Rajireddy Senior Principal scientist,IICT,Hyd.
12:30 pm-2.00PM	Lunch
2: 00PM - 3:30 PM	Microwave Assisted synthesis Dr.A.Srinivas Reddy – Assistant professor in chemistry,Vaagdevi Degree and P.G.College, Warangal.
3:30PM – 4:00PM	Tea Break
4:00PM-4:30PM	Valedictory:
4:30 PM	Vote of Thanks

PrincipalVaagdevi Degree & P.G. College
Kishanpura, Hanamkonda

Date:	12 th April 2023
Venue:	Seminar Hall, Vaagdevi Degree and PG College
Speaker:	Dr. P. Madhukar Asst. Professor in Physics CMR Technical Campus
Chief Guest:	Dr. Ch. Devender Reddy Secretary cum correspondent Viswambhara Educational Society
Guest of Honour:	Dr. A. Sheshachalam Principal, Vaagdevi Degree and PG College
Coordinator:	Dr. G. Rajaprasad HOD Department of Physics and Electronics
Participants:	Faculty members Research Scholar Students

An informational presentation the utilization of Fullprof suit a research tool for the structural analysis of materials and composite materials was organized at the college campus on October 12th, 2023, by the Department of Physics and Electronics. A primary objective of this workshop is to provide the participants with an opportunity to work with software packages for the analysis of crystal structures, such as Fullprof Suite, as a means of performing crystal structure analyses.

A very informative speech was given by Dr. Ch. Devender Reddy, secretary and correspondent of the Viswambhara Educational Society, and Dr. A. Sheshachalam, principal of the college, to inaugurate the workshop emphasizing the importance of software packages in research and industry.

Dr. P Madhukar, Assistant Professor in the Physics Department at the CMR Technical Campus, Hyderabad, was the resource person for the workshop. He provided an overview of the use of Fullprof Suite software package in the various research fields, and especially in the materials science research field. The demonstrator M. Narasimha Murthy, Faculty from the department of Physics and Electronics, Vaagdevi Degree and Post Graduate College, has demonstrated how to set up the Fullprof suite, how to access the XRD database as well as how to refine the crystal lattice parameterws of the materials.

According to the comments provided by the attendees, the workshop that was scheduled was quite successful in meeting its objectives.

The participants were very satisfied with their experience in participating the workshop and out of the workshop, they mentioned that they felt they had learned a lot about the benefits of the Fullprof Suite system for their academic and research endeavors.

Department of Physics & Electronics:

The Department of Physics & Electronics was established in the College in 1993. The Department is involved in Teaching U.G. and P.G. students both Physics and Electronics. M.Sc. (Physics) course was started in 2006 with a specialization in Electronics. The Department has a well-experienced, qualified, and motivated Faculty. The area of Research includes Nuclear Radiation Physics and Nano Materials. Our Department has strong Alumni and good Industry interaction.

Vaagdevi Degree & PG College, Hanamkonda

Vaagdevi Degree & P.G. College is Established in 1993. It is one of the Prestigious Educational Institutes catering to the Higher Educational needs of Telangana State and is Affiliated with Kakatiya University. Over the years, the College has earned the reputation of imparting high-quality education with a holistic approach to developing the overall personality of the students. There are 15 departments offering 20 Under Graduate and 8 Postgraduate programs. About 5000 students across the state study on the campus, with excellent Infrastructure in the form of State of the Art Library, Seminar Hall, Auditorium, and Laboratories apart from experienced and enthusiastic Faculty. In addition, seminars, Workshops, and Faculty Development Programmes are regularly conducted to benefit the students and Faculty.

About the conference

The conference streamlines how Nanotechnology experts may be inspired by industry-leading speakers and claim possibilities for overall growth to rekindle their enthusiasm and drive advancements in the area of Nanotechnology, regardless of experience or industry. The primary objective is to promote communication and build a shared vision to progress in the area of Nanotechnology. This task aims to bring specialists in each specialized profession while also allowing for cross-pollination and the exchange of ideas across closely related subjects.

About the Speakers

Dr. P. Madhukar is currently a senior faculty member at SVS PG College-Warangal. He got his MSc from Osmania University, MTech in Meteorological Engineering from NIT-Rourkela, and his Ph.D. in physics at the Department of Physics, Osmania University. He also published more research articles in indexed Scopus/ Web of Science internationals and has been a reviewer for several reputed international journals.

Dr. A. Srinivas Reddy is a senior faculty member in Chemistry at Vaagdevi Degree and PG College-Warangal. He has indeed established his research lab at Vaagdevi Degree and P.G. College and served as the coordinator for Research Centre -VDPGC. He has more than twenty years of expertise teaching undergraduate and graduate students. He carried out his postdoctoral Research at ICT-Hyderabad from 2011 to 2014. In recognition of his achievements, K.U. He bestowed upon him the title of "Young Scientist Award" in 2018. Currently, he is supervising the work of two Ph.D. students. He has also served as a reviewer for many prominent journals. He has published over thirty research papers in reputable international publications and reviewed several national and international magazines.

About the College:

Vaagdevi Degree and P.G. College is one of the oldest and prestigious educational institutes in Telangana State, catering to the higher educational needs of this backward region. It was established in 1993 by Viswambhara Educational Society and affiliated to Kakatiya University. The College is managed by eminent educationists and social workers who are dedicated to the cause of imparting quality and value based education to the needy people of this region. Over the years, the College has earned reputation of imparting high quality education with holistic approach of developing overall personality of students.

About the Department:

MBA Programme was started in the year 1997 and by now twenty three batches have passed out from this college. Ever since its inception, the College has been striving to provide professional and quality education to meet the expectations of industry and academics. The College provides state of the art infrastructure including spacious classrooms, modern teaching aids, well equipped computer lab, rich library, and seminar hall with digital access apart from qualified, dedicated student friendly faculty. The department has rich tradition of conducting workshops, FDPs and Training Programs for various stakeholders. Senior Faculty of the Department will regularly involve in arranging the Seminars, Workshops, Training Programs, Student Management Meets, Competitions which create the Department electrifying with various programs.

About the Workshop:

Research Publications are assets to Faculty and Research Scholars who wish to excel in the career of Teaching and Research. Research publications speak the progress of the Faculty/Researchers. Due to wide availability of various publishers, many of times Faculty and Research Scholars are often find difficulty to identify a good journal/publisher to publish their research outcomes. The proposed workshop provides an ideal avenue for the Faculty members & Researchers to understand the avenues for Research Publications. The workshop provide good learning experience about publishing papers in journals improving citations for research articles, Increasing the research aptitude through Academic Social Networks(ASNs) and evaluating the Plagiarism through ethical procedures.

Workshop Contents:

- ❖ Creating registration in UGC-CARE list
- ❖ Identifying and evaluating UGC-CARE listed journals
- ❖ Creating Researcher Identify in Academic Social Networks
- ❖ Creating ID in ORCID, Academia, Research Gate, Mendeley
- ❖ Creating Google Scholar Account
- ❖ Improving Google Citations
- ❖ Evaluating Plagiarism Check
- ❖ Ethical ways to remove Plagiarism

Who Should Attend:

Faculty members, Research Scholars from Management, Commerce, Humanities, Social Sciences and Industry practitioners wishing to excel in Research Career.

Participation Fee:

Rs. 200 per participant

*Participation fee includes Workshop Kit, Soft copy of study material, Lunch and refreshments.

Fee is payable by way of PhonePe/Gpay to Dr D Prem Kumar to phone number 9989766373 or through submitting the fee on the day of Workshop.

Registration

Register for workshop through submitting online Google form available at following link:

3. State level Seminar on Improve Security Issues in Cloud Computing Environment

Type of the Activity: State level Seminar

Date of Event: 14th October, 2022

Name of organizing Department: **Computer Science**

Names of Coordinators : **K.Sridhar, CH.Kishore Kumar, B.Swapna**

Names & Designations of Resource Persons:

Session : **Dr. Mahesh Kumar, Assistant Professor in Computer science, Chaitanya deemed to be university, Hanamkonda.**

Activity/ Program Details: A Session were held on Security Issues in Cloud Computing Environment

Outcomes / Benefits: Even though many organizations continue to believe that on-premise and hardware-based security is more secure, it is quite the opposite. The benefits of cloud security amply highlight how cloud security has an edge over on-premise security. Choose the right cloud security provider to ensure the enhanced security of your cloud-hosted assets.
