  - Maintenance of Networking Setup
  - Maintenance of college Website and its regular up gradation and
  - Maintenance of colleges ocial network ing sites

### **Procurement and Maintenance of IT Hardware**

- Installation and maintenance of IT hardware in the college campus is only to be done by the ICT committee.
- ICT committee takes the hardware requirements from respective departments and procures the hardware equipment with the approval of principal. Accordingly, the stock register will be updated with the procured hardware components.
- Misuse of hardware by any department will be solely responsible by that concerned department and the same will be recorded.
- Movement of IT hardware should be properly documented and properly signed.
- Old IT hardware and obsolete equipment should be discarded as e-waste with the approval of the Management.

### **Software Procurement and Maintenance**

- College permits to access genuine, original, open source and free software to use in college campus. In case of violation, the individual will be held responsible and will be taken necessary action by the authorities.
- Accessing computer systems with personal pen drives are strictly prohibited and if needed, it should be done under the supervision of ICT Committee.
- Data backup scan be done by the stakeholder only through online mode.

### **Access to ICT Resources**

- The college campus has provided adequate networking ports. Stakeholders of the college can connect his laptop or computer, but with prior permission of ICT.
- Change of network settings or misuse of Internet leads to serious action by college authorities.
- Internet, Wi-Fi and other networking resources in the college campus are strictly to be used for academic purpose only.

### **Dissemination of IT Literacy to the campus community**

- The ICT Committee and the department of computer science take the responsibility to organize IT related trainings to the students every year.
- The ICT committee and the department of computer science also held responsible to organize faculty development programmes for teaching and non teaching staff.

### **Maintenance of college Website and Social Networking Sites**

- The Department of Computer Science is maintaining the college website and social networking sites like Face book and Twitter.
- Any updating in the college websites should be brought to the notice of the Principal, the IQAC and the In-charge of the Department of Computer Science.
- Data pertaining to the departments of the college in the website is held responsible to the respective departments. Each department has to crosscheck for the data validation promptly.

### **Maintenance of Student Database Management System**

- College data is maintained by the Department of Computer Science.
- Any issue encountered while using the system should be brought to the notice of the principal.
- Activities done of the each department should maintain their own database individually and IQAC holds the responsibility to respond for any data request from outside.

### **E-waste Management**

- The institution strictly followed the guidelines of E-waste management directed by principal and management.
- ICT committee of the college holds the responsibility to ensure proper disposal of E-waste.
