To promote a sense of bonding and nurture the feeling of belongingness, the Alumnae Association is proactive throughout the year. It performs myriad variety of activities. It registers the alumni and offers them membership and as well as takes structured feedback from the members on curriculum and other aspects of institutional working, which is conveyed to the IQAC that analyses the feedback and takes initiative to bring changes in Curricula delivery of related programmes and institutional functioning and infrastructure. It helps us in bridging industry-academia curricula gap as many of our alumnae run their business and settled globally among the well reputed MNC's.

It also arranges motivational lectures by the industry experts in the field of their specialization and choice for the benefit of the students. Alumnae Associations WhatsApp group, is formulated to unite them on a common platform even for social causes.

The alumnae significantly help the students in training and placement. They also guide students to develop entrepreneurial skills and help in setting start-ups. Our alumnae also play a pro-active role in the effective functioning of IQAC.

Our alumnae have come forth to provide financial assistance as well. The alumnae have contributed for college infrastructure.
